6. Verify your answer before submitting to the invigilator.

**SECTION A- READING (10 MARKS)**

**Q1. Read the following passage carefully.**

**(5X1=5)**

Self-confidence is the belief in yourself and your abilities. It is basically freedom from doubt. It is not something that can be taught. It is something that we develop internally by ourselves. It is very important to live a healthy and happy life. **(PARA-1)**

Self-confidence is very useful and important because it helps to achieve goals and fulfill our wishes. Success comes to those who have a belief in their abilities. One cannot achieve his/her goal in life without self-confidence. A self-confident person is independent, eager, optimistic, loving and positive by nature. **(PARA-2)**

The person who lacks self-confidence is isolated, inferior, depressed, confused and sensitive to criticism and failure. It does not mean that a confident person always gets success in life but he/she takes life challenges positively. They learn from their mistakes and keep trying to achieve better in life. **(PARA-3)**

**Answer the following questions.**

- a. What is self-confidence?
- b. Why is it required to have self-confidence?
- c. State the qualities possessed by a self-confident person.
- d. Find a word from the passage which means the same as 'faith'. **(PARA 2)**
- e. Find a word from the passage which is the opposite of 'superior'. **(PARA 3)**
